ARTICLE 1

AGREEMENT STRUCTURE

1.1 Agreement Structure. The Agreement consists of the following documents: (i) these General Terms and Conditions set forth herein; (ii) Order Forms attached as one or more **Exhibit(s) A**; (iii) the License Rider attached hereto as **Exhibit B**; (iv) the Support and Maintenance Rider attached hereto as **Exhibit C**; (v) the Professional Services Rider attached hereto as **Exhibit D**; and (vi) TIMETREX's responses to CPSI's RFI attached here as **Exhibit E**.

1.2 Terms and Interpretation. Certain terms used in the Agreement are defined in **Article 10** herein, or in the Exhibits, schedules, and other documents attached hereto and made a part hereof. Terms, acronyms and phrases known in the information technology industry shall be interpreted in accordance with their generally known meanings. Unless the context otherwise requires, words importing the singular include the plural and vice-versa.

1.3 Order Form/Ordering of Services. Client's orders with TIMETREX will be placed using an Order Form. Any terms and conditions added or referenced by either Party in the Order Form or any similar document purporting to modify the Terms and Conditions contained in the Agreement shall be disregarded unless expressly agreed upon in writing signed by the Parties in a manner which expressly amends the Agreement.

ARTICLE 2

FEES AND PAYMENT

2.1 Types of Fees.

2.1.1 Fees For Purchased Licenses. Client shall pay all software license fees for the licenses of the Products as specified in an Order Form entered into hereunder ("License Fees").

2.1.2 Support Fees. Support Services are purchased in an Order Form by paying the applicable Support and Maintenance Fee specified in the Order Form (the "Support Fees"), where applicable.

2.1.3 Professional Services Fees. Client shall pay the Professional Services Fees as specified in Exhibit D and in any Order Form entered into hereunder ("Service Fees").

2.1.4 Fee Escalation. Following the initial five (5) year Term, Timetrex may increase License Fees, Support Fees, and Service Fees no more than once per year. No increase in annual fees may exceed the then-current US Consumer Price Index as published by the United States Department of Labor on the Bureau of Labor Statistics website from the prior one-year period.

2.2 Invoicing and Payment. TIMETREX will provide Client with written invoices for all Fees. Client will pay all invoiced amounts within thirty (30) days of the invoice date. All Fees are quoted and payable in U.S. Dollars.

2.3 Payment Disputes. If Client believes in good faith that TIMETREX's invoice is incorrect and Client wishes to dispute any such invoice, Client must provide detailed particulars of the disputed charges and attach any relevant documentation. If Client disputes a portion of the charges in any invoice, Client shall pay any undisputed portion by the date of the invoice.

2.4 Taxes. All payments by the Client to TIMETREX hereunder for fees and expenses shall be net of any sales or services tax, VAT or any other tax, assessments, tariffs, duties or other fees of any kind whatsoever imposed, assessed or collected by or under the authority of any governmental body (collectively, "Taxes") arising from TIMETREX's provision of the Product and Services hereunder, except any Taxes assessed upon TIMETREX's net income. Each party shall be responsible for any taxes that normally would be paid by each party.

2.5 Audit. Each party is responsible for implementing reasonable means to monitor its compliance with the terms of the Agreement. At a party's written request throughout the Term and for two (2) years thereafter, each party shall furnish the other with copies of any requested documents and/or grant or permit the other party or its designees access to its facilities in order to verify compliance with this Agreement. An audit shall be scheduled at least ten (10) days in advance and shall be conducted during regular business hours at the audited party's facilities and shall not unreasonably interfere with the audited party's business activities.

ARTICLE 3

PROPRIETARY RIGHTS

3.1 Licenses for Products. Client's license and use rights for the Products are governed by this Agreement. Subject to the rights expressly granted hereunder, TIMETREX reserves all rights, title and interest to the Product, including all related intellectual property rights. TIMETREX alone (and its licensors, where applicable) shall own all right, title and interest, including all related Intellectual Property Rights, in and to the Technology, the Content and the Product and any suggestions, ideas, feedback, recommendations or other similar information provided by Client relating to the Product. This Agreement is not a sale and does not convey Client to rights of ownership in or related to the Products.

3.2 Client Responsibilities. Client may sublicense Timetrex Products to its customers. Client is responsible for all activities that occur in Users' accounts and for Users' compliance with the end user license agreement. Client shall: (i) have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Client Content; (ii) ensure that it, its Affiliates and each of their Users do not attempt to circumvent access or security restrictions or protocols for the Services, and/or permit any other third-party to do the same; (iii) use its best efforts to prevent unauthorized access to, or use of the Products and/or Services, and notify TIMETREX of any such unauthorized access or use; (iv) comply with all applicable local, state, federal and foreign laws, rules and regulations in using the Products and/or Services; (v) be responsible for use of any code, password, firewalls or other means necessary to restrict electronic access to its computers, servers, or other equipment; (vi) be responsible for maintaining back-ups of and storing all Client Content and software. Client shall be responsible for any content loaded into Timetrex Products by Client.

3.3 Rights in Deliverables. Upon payment of all Service Fees to TIMETREX under the scope of an Order Form, all Intellectual Property Rights shall vest in CPSI for Deliverables. Prior to such full payment, all right, title and interest in the Deliverable shall remain with TIMETREX. TIMETREX retains full ownership of its pre-existing knowledge, processes, techniques, Products, software and other intellectual property ("TIMETREX Materials"), provided, however, to the extent such TIMETREX's Property is incorporated in or a component or

part of a Deliverable fully paid for by Client, then TIMETREX grants to Client a royalty free, perpetual license to use TIMETREX's Property in connection with Client's use of the Deliverables, subject to payment of License Fees.

3.4 CPSI-Developed Software. CPSI may choose to develop software that performs as part of the Product. CPSI may choose to provide such software to TIMETREX by submitting it to TIMETREX and explicitly writing "Contributions to TIMETREX" on the submission. If CPSI designated software as "Contributions to TIMETREX", CPSI does not retain the intellectual property to such contributions to TIMETREX. If CPSI uses published APIs to develop external programs that interact with TIMETREX Products, CPSI owns all intellectual property rights to such software, excluding the background intellectual property rights in the APIs.

3.5 Restrictions. Unless permitted in an Order Form or as otherwise stated in these Terms and Conditions, Client shall not, nor shall it permit any third-party to: (i) remove, alter, or obstruct copyright notices, trademarks or other legends on the TIMETREX Technology, or its packaging, documentation or related materials except as permitted in this Agreement; (ii) intentionally send or store: (a) spam or otherwise duplicative or unsolicited messages in violation of applicable laws, (b) infringing, obscene, threatening, libelous, or otherwise unlawful or tortious material, including material that is harmful to children or violates third-party privacy rights, or (c) malicious or harmful code, including but not limited to viruses, worms, time bombs, Trojan horses and other harmful or malicious code, files, scripts, agents or programs; (iii) interfere with or disrupt the integrity or performance of the TIMETREX Technology or the data contained therein; (iv) attempt to gain unauthorized access to the TIMETREX Technology or its related systems or networks, except as permitted herein or in the Order Form, (v) modify the TIMETREX Technology or create derivative works (vi) create internet "links to the Product or copy, frame or mirror any part or TIMETREX Technology (or any source code or object code thereof), other than copying or framing on Client's own intranets or otherwise for Client's own internal business purposes, (vii) reverse engineer, disassemble, de-compile, modify, translate or use for competitive analysis the TIMETREX Technology; (viii) share TIMETREX licenses by more than one (1) individual User; or (ix) access, copy or use the TIMETREX Technology in order to: (a) build a competitive product or service, or (b) copy any features, functions or graphics of the TIMETREX Technology.

3.6 Ownership of Client Content. As between TIMETREX and Client, Client exclusively owns all rights, title and interest in and to all of Client Content. Client Content is deemed Confidential Information under the Agreement. Client shall be solely responsible for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Client Content, including, but not limited to, uploading the Client Content to the Products. Upon written request from Client, as part of Professional Services TIMETREX will use reasonable efforts to assist Client in uploading and validating Client Content for sufficiency, correctness, and/or usability.

3.7 Branding. CPSI may not replace, alter or remove any TIMETREX branding, copyright notices, references to "Powered By TimeTrex" or similar, unless expressly allowed by the unaltered Product to upload custom logos that may appear on the user login screen or main user interface screen.

3.8 Federal Government End-User Provisions. TIMETREX will provide the licenses, including related software and technology, for ultimate federal government end use solely in accordance with the following: government technical data and software rights related to the licenses include only those rights customarily provided to the public as defined in the Agreement. This customary commercial license is provided in accordance with FAR 12.211 (Technical Data) and FAR 12.212 (Software) and, for Department of Defense transactions, DFAR 252.227-7015 (Technical Data – Commercial Items) and DFAR 227.7202-3 (Rights in Commercial Computer Software or Computer Software Documentation). If a government agency has a need for rights not conveyed under these terms, it must negotiate with TIMETREX to determine if there are acceptable terms for transferring such rights. In such case, a mutually acceptable written addendum specifically conveying such rights must be included in any applicable contract or agreement.

3.9 Exclusive Rights. TimeTrex grants to CPSI exclusive licensing rights for hospitals, clinics and skilled nursing facilities that have purchased CPSI's EHR solution, excluding those that are both pre-existing and

current customers of TimeTrex, its partners or resellers. TimeTrex has not granted, and will not grant, exclusive reseller rights to any other partner such that CPSI would be restricted in its rights to resell TimeTrex in any specific country, industry or other business category.

ARTICLE 11

GENERAL PROVISIONS

11.1 Export Compliance. Each Party shall comply with the export laws and regulations of the U.S. and other applicable jurisdictions in providing and using the Services. Without limiting the foregoing, (i) each Party represents that it is not named on any U.S. government list of persons or entities prohibited from receiving exports, and (ii) TIMETREX shall not provide Services or Products in violation of any U.S. export embargo, prohibition or restriction.

11.2 Relationship of the Parties. Both Parties agree that they are independent entities. Nothing in the Agreement shall be construed to create a partnership, joint venture, or agency relationship between the Parties. Each Party is responsible for the supervision, management, direction, employment costs, and payment of compensation of its own employees. Each Party is responsible for any injury to its own employees occurring in the course of such employees employment for which their employer is responsible. There are no third-party beneficiaries to the Agreement.

11.3 Precedence in the Event of Conflict. Any conflict between the Terms and Conditions, a Rider, or an Order Form will be resolved in the following priority: first, the terms and provisions of the General Conditions, then the terms and provisions of the Rider, and last the terms and provisions of the Order Form.

11.4 Assignment. Neither Party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other Party (not to be unreasonably withheld), and any attempt to do so without such consent will be void. Notwithstanding the foregoing, either Party may assign the Agreement in its entirety (including all Order Forms), without consent of the other Party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a direct competitor of the other Party, provided, however, that the assignor continues to remain liable for all of its liabilities and obligations hereunder. A Party's sole remedy for any purported assignment by the other Party in breach of this section shall be, at the non-assigning Party's election, termination of the Agreement upon written notice to the assigning Party. In the event of such a termination at TIMETREX's election, TIMETREX shall refund to Client any prepaid fees. Subject to the foregoing, the Agreement shall bind and inure to the benefit of the Parties, their respective successors and permitted assigns.

11.5 Publicity. Each Party may reference the other party and the nature of the Products and Services provided hereunder in the Party's business development and marketing efforts, including, without limitation, its website, provided that any such publicity must be pre-approved by the other Party.

11.6 Governing Law; Venue. The Agreement will be governed in all respects by the laws of the State of Alabama, and where applicable the U.S. (excluding principles of conflicts of law). The Parties irrevocably submit to venue and exclusive personal jurisdiction in the state courts in Alabama, and the federal courts of Alabama, United States, for any dispute arising out of the Agreement, and waive all objections to jurisdiction and venue of such courts. The Parties hereby irrevocably waive any and all claims and defenses either might otherwise have in any action or proceeding in any of such courts based upon any alleged lack of personal jurisdiction, improper venue, forum non conveniens or any similar claim or defense. The Parties hereby agree to waive or opt-out of any Product of the United Nations Convention on Contracts for the International Sale of Goods. EACH PARTY HEREBY WAIVES ANY RIGHT TO JURY TRIAL IN CONNECTION WITH ANY ACTION OR LITIGATION IN ANY WAY ARISING OUT OF OR RELATED TO THE AGREEMENT, EXCEPT FOR CLAIMS RELATING TO INFRINGEMENT OF INTELLECTUAL PROPERTY, PERSONAL INJURY OR DAMAGE TO PERSONAL PROPERTY.

11.7 Agreement; Interpretation; Amendment. The Agreement, including all Exhibits and addenda hereto and all Order Forms, constitutes the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all prior agreements, proposals or representations, written or oral, concerning its subject matter. Any rule of construction to the effect that ambiguities are to be resolved against the drafting Party will not apply in the interpretation of the Agreement. The Agreement may be modified only by a writing signed by both Parties.

11.8 Waiver and Cumulative Remedies. No failure of either Party to exercise any power or right granted hereunder, or to insist upon strict compliance with any obligation hereunder, and no custom or practice of the Parties with regard to the terms and performance hereof, shall constitute a waiver of the rights of such Party to demand full and exact compliance with the terms of the Agreement. No waiver of any provision or right hereunder will be valid unless it is in writing and signed by the Party giving such waiver. Unless otherwise expressly set forth in the Agreement, all remedies available to either Party for breach of the Agreement are cumulative and may be exercised concurrently or separately, are in addition to any other rights and remedies provided by law, and the exercise of any one remedy will not be deemed an election of such remedy to the exclusion of other remedies.

11.9 Severability. If any provision of the Agreement is held by a court of competent jurisdiction to be contrary to law, the provision shall be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of the Agreement shall remain in effect.

11.10 Counterparts; Facsimile Signatures. The Agreement and any Order Form may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which will together constitute one and the same agreement. The Agreement and any Order Form shall be binding on the Parties through facsimile, scanned and emailed signatures or electronic signatures.

11.11 Entire Agreement. The Agreement and its transaction documents, appendices, or any other Exhibits constitute the entire understanding of the Parties with respect to the subject matter herein. The Agreement may not be amended or modified by a purchase order, invoice or similar form, conduct manifesting assent, or by electronic signature, and each Party is hereby put on notice that any individual purporting to amend or modify the Agreement by a purchase order, invoice or similar form, conduct manifesting assent or by electronic signature is not authorized to do so. Notwithstanding any language to the contrary therein, no terms or conditions stated in Client's purchase order or other order documentation (excluding Order Forms) shall be incorporated into or form any part of the Agreement, and all such terms or conditions shall be null and void. Any and all previous

agreements and understandings between the Parties regarding the subject matter hereof, whether written or oral, are superseded by the Agreement (except for any confidentiality agreements to which the Parties have duly executed, which shall remain in full force and effect for any discussions, transactions or exchanges of Confidential Information outside of the subject matter herein). By signing and delivering the Agreement or any transaction document, Exhibits, attachments, appendix, amendment, addendum, or any legally binding document thereto, each Party will be deemed to represent to the other that the signing Party has not made any changes to such document from the final draft provided to the other Party for signature unless the signing Party has expressly called such changes to the other Party's attention in writing (e.g., by "redlining" the document or by a comment memo or email). TIMETREX and Client agree that each will, from and after the date of the Agreement, execute and deliver such other documents and take such other actions as may reasonably be requested to effect the transactions contemplated hereunder.

11.12 Force Majeure. Each Party will be excused from performance for any unavailability of the Products or Services caused by circumstances beyond the Party's reasonable control, including without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of war or terror, epidemics, strikes or other labor problems, computer, telecommunications, internet service provider or hosting facility failures or delays involving hardware, software or power systems not within the Party's possession or reasonable control (collectively, "Force Majeure Events").

[End of Terms and Conditions]

IN WITNESS WHEREOF, the Parties have executed the Agreement effective as of the date first written above and each Party warrants that its respective signatory whose signature appears below is duly authorized by all necessary and appropriate corporate action to execute the Agreement on behalf of such Party.

EXHIBIT B

LICENSE RIDER

This **Exhibit B**, License Rider ("License Rider"), is an additional part of the Agreement by and between TIMETREX and Client which together describe the terms and conditions under which TIMETREX will license Products (as defined herein) to Client. TIMETREX and Client agree as follows:

1. **Ordering of Licenses.** The specific Licenses granted by TIMETREX to Client shall be mutually agreed to and set forth on an Order Form. Each Order Form will describe the Products, license term, and other terms and conditions for the Licenses, as well as any applicable License Fees. All Order Forms shall be subject to the Agreement, including this License Rider. TIMETREX has no obligation to provide any Licenses other than as set forth in this Agreement and a mutually agreed Order Form.

2. **Privacy and Security Disclosure:** TIMETREX's privacy and security policies may be viewed at <https://www.timetrex.com/terms>. TIMETREX agrees that it will comply with its privacy and security policies at all times and will follow any reasonable instructions from CPSI in complying with at least industry standard security and privacy terms.

3. **License Grant and Restrictions:**

3.1 TIMETREX shall license the Products available to Client pursuant to the Agreement and the relevant Order Forms. Client agrees that Client's licenses hereunder are neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public comments made by TIMETREX regarding future functionality or features, except as described in this Agreement. TIMETREX grants Client a right to use, modify and sublicense the Product for the License Term in the Licensed Territory. For avoidance of doubt, TIMETREX is not providing a perpetual use license to the Corporate Edition or Enterprise Edition unless specifically stated in an Order Form.

3.2 **Timetrex Responsibilities.** TIMETREX shall: (i) provide to Client third tier support for the Products; and (ii) provide the Products in accordance with applicable US and Canadian laws and government regulations.

3.3 **Client's Responsibilities.** Client is responsible for all activity occurring under Client's Product Licenses and shall abide by all applicable local, state, national and foreign laws, treaties, and regulations in connection with Client's use of the License, including those related to Data privacy, international communications, and the transmission of technical or personal Data. Client shall not (a) knowingly use the Licenses to store or transmit infringing, libelous, or otherwise unlawful or tortuous material, or to store or transmit material in violation of third-party privacy rights; (b) use the Product to store or transmit Malicious Code; (c) interfere with or disrupt the integrity of the Product or TIMETREX data contained therein; or (d) attempt to gain unauthorized access to the Product or their related systems or networks.

4. **Account Information and Data.** TIMETREX does not own Client Content, client data, information, or material that Client submits to the Product in the Course of using the Product ("Customer Data"). The data storage is sole responsibility of the entity hosting the Client Content. TIMETREX shall not be responsible or liable for the deletion, correction, destruction, damage, loss, or failure to store any Customer Data.

5. **Feature Requests.** Client may from time-to-time request an addition of new features to the Product to enhance the functionality available in the system. Upon request, TIMETREX will determine whether that Feature can be incorporated into the Product. Client may be responsible for any costs associated with the effort under the scope of an Order Form.

6. **Timing of Subscriptions and Payments.**

6.1 General. Employee license subscriptions begin on an annual cycle coinciding with the Contract Year. Thirty (30) days prior to the beginning of each Contract Year, TIMETREX will invoice CPSI in advance of the Contract Year, and CPSI will pay the invoice in accordance with this Agreement. If CPSI purchases additional Employee subscriptions during the Contract Year, TIMETREX will invoice CPSI for a pro-rated fee that is based on the number of remaining days between the day the subscriptions were purchased until the end of the Contract Year. Such additional licenses will be purchased in blocks of at least 1,000 subscriptions. At the beginning of the Contract Year, if CPSI determines that the volume of employee subscriptions will be greater than the Guaranteed Employees for that year, CPSI may ask TIMETREX to prepare an invoice for such additional subscriptions.

6.2 Corporate Edition Pricing. If Client purchases additional Corporate Edition Employee subscriptions during the Contract Year as described in section 6.1, above, the price will be \$7.84 per Active Employee per year.

6.3 Enterprise Edition Pricing. CPSI may offer individual customers the option to upgrade to Enterprise Edition. If CPSI upgrades to Enterprise Edition for a customer, Enterprise Edition pricing will apply to all Active employee users for that customer. The price for each Active employee user will be an additional \$2.50 per Employee per year. TIMETREX will invoice CPSI for such upgrades at the same time as the invoice for the Corporate Edition unless it is a mid-year upgrade, in which case TIMETREX will invoice CPSI in the same manner as described in section 6.1, above (relating to pro-rating of pricing). CPSI will provide TIMETREX with licensing details that show how many employee subscriptions have been upgraded to the Enterprise Edition.

6.4 Expiration of Guarantees. If CPSI purchases employee subscriptions in excess of Contract Year 5 Guaranteed Employees (i.e. 237,000 subscriptions for \$1,086,360), all pricing terms will remain unchanged in perpetuity. If CPSI has not purchased employee subscriptions in excess of Contract Year 5 Guaranteed Employees by the end of the Term, the parties may choose to renegotiate subscription prices. In all cases, subscription prices will not exceed TIMETREX's then-current standard pricing schedule. Notwithstanding, Timetrex may issue price escalations in accordance with paragraph 2.1.4 of the Agreement.

7. Optional Products.

7.1 Tablet TimeClocks. CPSI's customers may extend their TIMETREX solution with tablet devices and software for multiple employees to check-in/check-out at a single device using such methods as facial recognition, QRCodes and Quick Punch ID/Passwords. An annual subscription license for the tablet-based software running in multi-person mode is \$120 per year per device. Licenses will be purchased in blocks of 25.

7.2 Resume Parsing. The Recruitment & Applicant Tracking module, which is included only in the Enterprise Edition of TimeTrex, includes optional functionality for parsing resumes. The fee for this functionality is \$0.25 per resume. The per-resume functionality will be purchased in blocks of 10,000 that expire after one (1) year if not used, should CPSI choose to purchase this functionality.

7.3 Employee Driving Tracking. TimeTrex may soon introduce an optional product for tracking employee driving distance or activities. This will include mapping and geo-fencing functionality which may carry an additional software license fee.

7.4 Full Service Payroll. TimeTrex may soon introduce an optional product for "Full Service Payroll" that includes direct deposit for employees, payment and filing for federal/state/provincial taxes, and more. This service will be offered for a base fee plus transaction fees.

7.5 Third Party Licensing. Nothing in this Agreement prohibits CPSI from pursuing partnerships directly with third parties for any Products in order to reduce licensing costs. CPSI is responsible for any custom development work to integrate third party products.

7.6 Hosting. CPSI will host the Products and Deliverables at a data center of its own choice. CPSI will host a single, multitenant instance of TIMETREX software for all of its clients. The single instance will be

the Enterprise Edition and CPSI will manage license rights so that, by default, each CPSI client may access only the Corporate Edition modules. CPSI will expand license rights to the Enterprise Edition modules when a client upgrades to Enterprise Edition.

EXHIBIT C

SUPPORT AND MAINTENANCE RIDER

This **Exhibit C**, Support and Maintenance Rider ("**Support Rider**"), is an additional part of the Agreement which together describes the terms and conditions under which TIMETREX will support and maintain Products (as defined in the Agreement, above) to Client. TIMETREX and Client agree as follows:

1. **Definitions.**

"**Incident**" means a defect or perceived defect in the Product, which is not able to first be solved by Client.

"**Tier 1 Support**" includes, but is not limited to, the following:

Support personnel assist end users by providing a general understanding of the software and solving basic end user issues. Support personnel gather information directly from users, analyze symptoms and determine the basic issue(s). Examples of issues that are generally resolved at Tier 1 include: enabling user access/security, guidance on how to use software features and functionality, menu navigation. Tier 1 issues are generally resolved without access to database tables, audit logs, diagnostic utilities, or source code. Tier 1 issues can usually be easily replicated and solved through the use of basic support tools or software documentation. When Tier 1 support personnel are unable to resolve an issue, it is escalated to Tier 2.

"**Tier 2 Support**" includes, but is not limited to, the following:

Support personnel resolve more complex software issues that have been escalated and documented by Tier 1 support personnel. Examples of issues that are generally resolved at Tier 2 include: site preparation, initial installation, configuration settings, connection problems related to 3rd party products, database management, implementation of known solutions to known issues. Resolving Tier 2 issues generally requires more technical expertise and more time to troubleshoot. Resolving Tier 2 issues may require access to intermediate-level data, logs and utilities. Tier 2 support activities do not include direct communication with end users. If Tier 2 support personnel determine that the issue is caused by a software Defect (i.e., the software is not working as designed) or that a higher level of system access is required to diagnose the issue, then the issue is escalated to Tier 3. Tier 2 support personnel are responsible for documenting Defects including steps to replicate the issue, expected system behavior, observed system behavior. When Tier 2 support personnel are unable to resolve an issue, it is escalated to Tier 3.

"**Tier 3 Support**" includes the following:

Developing Product Defect fixes, including where highly privileged system access or access to the source code is required to resolve Tier 3 Incidents;

- Modifying the Product source code as needed to address Defects;
- Provide CPSI with upgrades, releases and patches that are provided to its other customers;
- Provide patches for issues that are due to a software Defect; and
- Verification of whether an incident is a Defect after it is already passed through Tier 1 and Tier 2 support and is documented as described in the definition of Tier 2 support.
- In the event that an Incident gets escalated to Tier 3 that is later deemed to not be a Product Defect, Timetrex has no obligation to fix the issue under Tier 2 support.

"**Workaround**" means an interim or temporary solution to a defect that substantially remedies the functionality or performance of the Product inhibited by the defect.

2. **Support Services.**

2.1 TIMETREX has no obligation to provide Support Services other than as set forth in this Agreement and a mutually agreed Order Form.

2.2 Support Services requested and provided in excess of what is provided for in this Agreement are available at the then-current rate for the Support Services.

2.3 Support Services are provided to Client directly and are not provided to Client's customers or end-users. TIMETREX is not responsible for Tier 1 or Tier 2 support. TIMETREX will perform Tier 3 support services at no additional charge. TIMETREX is not responsible to provide any training to Client or Client's customers, except under an SOW.

2.4 **Ordering of Support Services.** The specific Support Services to be performed by TIMETREX for Client shall be mutually agreed to and set forth on an Order Form. Each Order Form will describe the Products, support term, and other terms and conditions for the Support Services, as well as any applicable Support Fees. All Order Forms shall be subject to the Agreement. Services will be provided via remote access to the Client's environment, where available and possible.

3. **Scope.**

3.1 **Covered Product Versions.** Support Services are only provided for the versions of the Product and the package of the Products for which Client has a valid and fully paid up license from TIMETREX. If the third-party providers of any software, software framework, platform or operating system that is included in or with any Product cease to provide support for a specific version of that software, TIMETREX will no longer be obligated under the Agreement to provide Support Services for the Product in conjunction with that version.

3.2 **New Functionality as Part of Upgrade.** In the event of a Product version upgrade, Support Services include delivery of any new or custom functionality which was previously delivered to Client, as part of a new version upgrade.

3.3 **End-of-Service Date.** Upon issuing a new release of a Product (a version or package that contains additional functionality or new features, and is represented by a change in the initial digits of the version number to the left or the right of the first decimal point), TIMETREX will no longer issue enhancements for previous releases, nor sell previous releases, of that Product, except if Client has paid current Support Services. If a problem arises with a previous release, TIMETREX may, at its sole discretion, (1) recommend a workaround, (2) issue a patch for the previous release, or (3) recommend Client to upgrade to the current release. "End-of-Service date" for a given release is the earlier of (a) the day before the following release is issued plus one (1) years. Following the End-of Service date, Client must upgrade to more recent release of the Product to continue to receive Support Services. Additionally, there is no guarantee that the ability to renew or add licenses will function properly following the End-of-Service date.

3.4 **Support to Client.** TIMETREX provides Tier 3 support only. Support is provided for Incidents reported by Client to TIMETREX. TIMETREX does not provide Support of any kind for Client's end-users.

4. **Term and Termination.** Support Services will begin upon the start date listed in the applicable Order Form and will continue until the termination or end date listed in the Order Form. The term of Support Services will automatically renew itself for a one-year term unless either party advises the other party in writing within 30 days prior to the end date. Support Services will automatically terminate upon termination of the Agreement and/or the applicable Order Form.

5. **Support and Maintenance Services.**

5.1 **Contacting Support.** In order to expedite the transfer of error messages and other incident-related information, TIMETREX strongly encourages the use of email support. Clients can receive support by sending an email to support@timetrex.com or by calling TIMETREX at 1 (206) 905-4732.

5.2 Support Hours. Support Services are provided from 7:00 a.m. through 4:00 p.m. PST, Monday through Friday, excluding US and Canadian federal, state, and provincial holidays.

5.3 Response Time. Response times are set out in Section 6.6 below (Incident Categories and Response Times). Response times do not include resolution time. Response and Respond are references to TIMETREX responding to Client's reporting an Incident in the manner contemplated by this Support and Maintenance Rider within the maximum Response Times set out below for the corresponding Incident severity level. Response Times are measured from the earlier of the time TIMETREX identifies a defect, or TIMETREX receives notice of an Incident from Client, to the time TIMETREX Responds to Client. Resolution Times are measured from Response to the time TIMETREX Resolves the Defect or provides a Workaround.

5.4 Incidents & Notification.

Each Party will notify the other party as soon as reasonably practical of any detected Incidents and/or Defects. When notifying TIMETREX of an Incident or Defect, the Client will provide:

- The name of the Client personnel notifying TIMETREX of the Incident;
- A full description of the Incident, including its classification;
- Contact details of the Client personnel that TIMETREX is to notify of progress/resolution; and
- Any other information reasonably required or requested by TIMETREX.

Immediately upon detection or notification of an Incident, TIMETREX agrees to act in accordance with the procedures set out in this Exhibit C.

5.5 Incident Management.

- TIMETREX's help desk will investigate and manage the Incidents and Defects notified to it by the Client through to resolution or appropriate hand off, and will provide the Client with updates at regular intervals for the progress of each reported and/or outstanding Incident/Defect and its Response time and Resolution time.
- On detection, all Incidents shall be classified and assigned priority by the Client in accordance with the criteria below. This classification shall remain in force until the Incident/Defect has been cleared to the Client's satisfaction. TIMETREX will review any classification where a Party advises the other that it believes:
 - the classification is inappropriate in which case TIMETREX must propose an alternative classification in its discretion (acting reasonably); or
 - the reported Incident is not a Defect with the Product, in which case TIMETREX must provide reasonable evidence of any initial diagnostics performed to reach this conclusion and TIMETREX will not be required to provide any further support in respect of the reported Defect without working pursuant to an Order Form.
- TIMETREX will use commercially reasonable efforts to ensure all Incidents are diagnosed and remedied in the shortest possible time frames having regard to all relevant circumstances.
- Incidents that do not recur and cannot be reproduced by TIMETREX or Client may be closed after a reasonable period.

I am writing to formally notify you that TimeTrex Software Inc. has decided to terminate the Master Agreement, effective as of 12 December 2024. This action is in accordance with the provisions outlined in Article 8, Section 8.1 of the agreement.

This decision comes after deep reflection and strategic considerations related to our company's future direction and product roadmap. While necessary, this realignment focuses on our anticipated needs, requiring us to adjust our partnerships to align with our long-term goals.

Key Points Regarding the Termination:

Notice Period: We are providing more than 180 days' notice as required by Article 8, Section 8.1, ensuring full compliance with the agreement's stipulations regarding termination notice.

We sincerely appreciate the trust and collaboration we have shared during the term of our agreement. TimeTrex Software Inc. remains committed to providing the highest level of service during the post-termination period.

EVIDENCE

As part of our continued effort to improve your experience and evolve our offerings, TruBridge is constantly looking to ensure that our solutions will both support and deliver value for our clients well into the future.

We've recently learned that our current HR and Payroll partner is discontinuing support for our market in regard to key self-service capabilities. As a result, and to ensure continuity of this vital function moving forward, we've completed an in-depth RFP process, including all applicable industry-leading options for HR, Payroll and Human Capital Management (HCM).

Prioritizing feedback from current 3R clients, and our ability to deliver cost-effective and industry-leading solutions today and in the future, we've made the decision to partner with Paylocity to deliver this functionality moving forward.

Paylocity is a recognized industry leader with 39,000 clients and has a proven track record supporting healthcare organizations of all sizes, recently earning high ranking and awards from G2, TrustRadius and Forbes.

The Paylocity offering for TruBridge clients has been tailored to provide comparable functionality to 3R plus additional functionality, like ACA forms and filing, expanded state and federal reporting, enhanced tax filing features, along with advanced HR performance management and new benefits administration capabilities. Moving quickly and deliberately to ensure you have access to modern solutions that support your business is paramount. If you haven't already, you'll soon hear from your Client Executive, who will provide specific information regarding the changeover.

A few key pieces of information:

- The process to move clients that currently use 3R to the new Paylocity solution will begin in February 2025 and will need to be completed by November 2025.
- Implementation experts from Paylocity will work with your payroll and HR team to ensure a well-coordinated, smooth transition, and we will leverage data from the existing environment to streamline and reduce client work, where feasible.
- Specific Paylocity pricing details are available from your Client Executive. TruBridge has secured extremely favorable pricing, not available outside this transition period.
- During this transition period, there is no additional implementation fee for customers who have already implemented 3R.

We recognize the importance of this transition for your business, and have, along with Paylocity experts, outlined a plan to ensure your operations continue to run smoothly while

Paylocity completes the implementations before November 2025.

If you have any questions, please reach out to your Client Executive.

Kelli:

Greetings from a very windy North Texas today (wind speeds 40+ mph sustained 😊). I hope the week has been a good one for you and TruBridge's staff.

Regarding the email announcement below from TruBridge during 01/2025 reporting TruBridge and its clients who choose to do so will separate from 3R/TimeTrex by/before 11/2025: KCHD has a quote from TimeTrex to migrate our info presently in 3R/TimeTrex to a TimeTrex contract later this year. **I wanted to ask if you know what ceasing 3R/TimeTrex and beginning to use Paylocity will do to the cost of clients' contracts with TruBridge in the future (we think the cost of Paylocity probably is much greater than TimeTrex, so that overall costs eventually will be greater too)?** Some other Texas hospital district HR directors have recommended systems other than Paylocity, reporting those systems work very well for them (some who use Paylocity report its customer service as not very good during past months). Please advise if you know or can point me to TruBridge's staffer who can, OK?

Thank you for your assistance. Have a good spring-time weekend there.

Subject: TimeTrex

As we discussed yesterday, I received another call from TimeTrex last Thursday. When I reminded him that he said their legal told them they couldn't discuss pricing with TruBridge clients, he said that had changed and he could now talk to me. I told him the last I heard they would be sued if he discussed pricing with me and he lost it at that point and said he never discussed a lawsuit with me. I told him I had already signed a contract with another company and to remove me from his call list.

I attached a screenshot of the call for your records so that you all know they are still contacting us. I do want to say that I will not be happy with TruBridge if we can now contract with TimeTrex. I have signed with another company that is going to cost me considerably more than what I was paying for TimeTrex.

Subject: Re: TimeTrex / TruBridge - Connect

Importance: High

Hi Adam,

Unfortunately we still have not received specific per customer TimeTrex pricing numbers and contract expiration dates from you, therefore we are unable to generate an accurate forecast model. As such we have prepared the following high-level terms based on these unknowns. Please note, it is essential that we act promptly on this matter to prevent costly delays and schedule conflicts that could nullify our efforts and jeopardize any possibility of an agreement.

1. TimeTrex will assume responsibility for all implementation, support, and US-based hosting of all Trubridge TimeTrex customers ("legacy customers") at the earliest possible agreed-upon date. After this date, Trubridge will not require any staff dedicated to TimeTrex.
2. The existing agreement, including all minimum license guarantees, will cease on the above mentioned date. Any annual license pre-payments will be pro-rated and credited towards future invoices.
3. Trubridge will continue billing customers and will pay TimeTrex the newly agreed-upon license fee until their existing contracts expire.
4. When "legacy customer" contracts expire with Trubridge, if they renew directly with TimeTrex at a rate higher than the Trubridge "legacy customer" monthly invoice rate plus referral commission, they will become "referred customers" and be subject to referral commission.
5. TimeTrex will invoice all "referred customers" directly and pay Trubridge referral commissions.
6. For all "legacy customers," TimeTrex will invoice Trubridge monthly at a rate of \$6.05 USD/employee, plus \$10 USD/tablet license per month. Subject to annual CPI increases.
7. For all "referred customers," TimeTrex will pay a 10% revenue share on first-year recurring

revenues.

8. Trubridge will maintain existing product integrations with TimeTrex at its own expense.

9. Trubridge and TimeTrex will enter into an exclusive agreement where Trubridge will refer all existing and potential new customers to TimeTrex for Workforce Management and Payroll services. TimeTrex will handle all sales presentations, implementation, support, billing and hosting. Trubridge agrees not to enter into or renew existing agreements that offer competing services with TimeTrex Workforce Management and Payroll.

10. TimeTrex has the option to present employment offers to any mutually agreed upon Trubridge employee who primarily allocates their time to TimeTrex.

After we reach a tentative agreement on the high-level terms, we can formalize them in a term sheet.

Please let me know your thoughts, and if you wish to schedule a meeting to discuss this in detail.

Thanks.

**Re: Cease and Desist and Material Breach of the Reseller Agreement
between TruBridge, Inc. and TimeTrex Software Inc.**

Mr. Benoit:

I represent TruBridge, Inc. f/k/a Computer Programs and Systems, Inc. ("TruBridge"). I am writing regarding your violations of Alabama law and your material breaches of the Reseller Agreement between TruBridge and TimeTrex Software Inc. ("TimeTrex"). TimeTrex and TruBridge duly executed a Reseller Agreement on or around December 13, 2019 (the "Agreement"). It has been brought to my attention that TimeTrex has been communicating with TruBridge's exclusive customers ("Customers") in violation of the Agreement and in violations of Alabama law.

More particularly, TimeTrex has recently communicated with multiple Customers that (1) TimeTrex will provide Customers with support for TimeTrex notwithstanding the termination of the Agreement between TruBridge and TimeTrex; and (2) TruBridge is withholding permission for TimeTrex to enter into an agreement with Customers. Each of these communications is a direct violations of Alabama law and material a breach of the Agreement.

Breach of Exclusive Rights

TimeTrex has breached TruBridge's exclusive rights under section 3.9 of the Agreement, which provides:

3.9 Exclusive Rights. TimeTrex grants to CPSI exclusive licensing rights for hospitals, clinics and skilled nursing facilities that have purchased CPSI's EHR solution, excluding those that are

both pre-existing and current customers of TimeTrex, its partners or resellers. TimeTrex has not granted, and will not grant, exclusive reseller rights to any other partner such that CPSI would be restricted in its rights to resell TimeTrex in any specific country, industry or other business category.

TimeTrex has asserted to Customers that “[w]hile that [TruBridge] partnership is coming to an end, rest assured this will not impact you or your use of TimeTrex in any way. All functionality will continue to work just as it always has, **so you can keep enjoying everything TimeTrex has to offer along with our excellent support.**”¹ As you are no doubt aware, the clause referenced above provides TruBridge with the exclusive rights to license TimeTrex software during the term of the Agreement and at least for two (2) years afterwards.² Thus, your offer to provide TimeTrex software and support to TruBridge’s customers during the term is a direct and material violation of the Agreement.

Tortious Interference

Moreover, based on statements expressly made by TimeTrex’s representatives to Customers, TimeTrex’s offer of support for TimeTrex software following the termination of the Agreement is a patent attempt to further TimeTrex’s commercial interests as a competitor of TruBridge in the HR-Payroll services space. TimeTrex’s offer to provide support beyond the TruBridge relationship represents intentional and tortious inference with TruBridge’s contracts with its customers. TimeTrex knows that the relationship between TruBridge’s Customers is protected and is intentionally interfering with that relationship in order to further its business interests. TimeTrex is responsible for any damages incurred by TruBridge for any lost business as a result of TimeTrex’s malicious behavior.

Additionally, multiple TruBridge customers have contacted TruBridge to report that TimeTrex has informed them that TruBridge is withholding their rights to contract directly with TimeTrex for its software products. Your statements to Customers are both misleading and demonstrably false. It cannot be disputed that on or around May 16, 2024, TimeTrex sent to TruBridge a notice of termination of the Agreement. TimeTrex is misinforming TruBridge customers that TruBridge is standing in the way of their ability to enter into contracts with TimeTrex. Thus, TimeTrex is misrepresenting the reasons that TruBridge is moving away from TimeTrex. The fact that you are repeating these false claims to multiple CPSI customers both increases the seriousness of the disinformation and the potential for damage to CPSI. This behavior

¹ This is a further misrepresentation of the facts. TimeTrex is surely aware that it provides only tier 3 support and that tiers 1 and 2 are provided by TruBridge. TimeTrex should not be providing support directly to TruBridge customers. Thus, this and other behavior also constitutes false advertising.

is an additional count of tortious interference with TruBridge's contractual relations with its customers in violation of Alabama law.

Breach of Confidentiality

TimeTrex's statements to TruBridge's customers also violate section 4 of the Agreement ("Confidentiality"). Confidential information explicitly includes "...the terms and conditions of the Agreement..." TimeTrex is prohibited from disclosing Confidential Information to any third-party except for its "employees, contractors and agents who need such access for purposes consistent with the Agreement and who have signed confidentiality agreements with the Receiving Party containing protections no less protective than those herein..."³ By disclosing to Customers that TruBridge has the exclusive rights to license TimeTrex technology, and that TimeTrex would need permission for TimeTrex to enter into a contract with TruBridge's customers, TimeTrex is in direct and material violation of the terms of the Agreement. Similarly to the above, TruBridge is entitled to damages incurred by TruBridge for any lost revenue as a result of TimeTrex's malicious behavior.

Why a business partner would desire to make false statements and defame TruBridge to our customers is beyond comprehension. It's also curious that you did not consider that our customers would forward these statements to us. However, what is clear is that your false statements constitute defamation, libel, and tortious interference with business relations, multiple breaches of the Agreement and clearly were and are targeted to deceive TruBridge's customers to further TimeTrex's commercial interests.

Without waiving our rights to address any wrongful actions that have already occurred, and without waiving our rights to seek any available remedies or causes of action for any past and ongoing conduct whether or not addressed herein, **TruBridge demands that TimeTrex immediately stop, and instruct its employees and representatives to stop, employing such deceptive and defamatory sales tactics and immediately cease and desist from any further wrongful and deceptive communications regarding TruBridge and CPSI.**

Further, we demand that TimeTrex provide a list of all people and organizations to whom such communications have been made and provide the content of such communications, by Monday, February 3, 2025 so that TruBridge is able to mitigate the damages that your company has caused. TimeTrex should direct a copy of this information to my attention. When a Customer contacts TimeTrex, the only action should be to redirect the Customer to TruBridge.

TruBridge takes these matters very seriously and intends to enforce its legal rights and vigorously protect its reputation and relationships with its customers and the market. If the list and content of such communications is not provided to us by the date provided above, TruBridge will institute legal proceedings to enjoin your activities and seek damages and all other appropriate relief, including attorney's fees, for TimeTrex's defamation, libel, false advertising, contractual breaches and tortious interference with TruBridge's business relations.

Additionally, by this letter, **TimeTrex is hereby given notice not to destroy, conceal or alter any paper or electronic files, other data generated by and/or stored on its computer systems and storage media (e.g., any external storage media or device), and any other electronic data, such as voicemail and text and voice messages stored on cellular phones.** This includes, but is not limited to: email and other electronic communications; word processing documents; spreadsheets; databases, calendars; telephone logs; internet usage files; offline storage or information stored on removable media; information contained on laptops or other portable devices; and network access information relating to TruBridge and its business and customers or the above-referenced solicitation and sales activities.

Electronic documents and the storage media on which they reside may contain relevant, discoverable information beyond what may be found in printed documents. Therefore, even where a paper copy exists, all documents in their electronic form along with metadata or information about those documents contained on the media must also be preserved.

The laws and rules prohibiting destruction of documents apply to electronically stored information in the same manner that they apply to other information. Due to its format, electronic information is easily deleted, modified or corrupted. Accordingly, you must take every reasonable step to preserve this information. This may include, but would not be limited to, an obligation to discontinue all data destruction and backup tape recycling policies, to the extent they exist. With regard to electronic data created subsequent to the date of delivery of this letter, such information should not be destroyed, and you should take the appropriate steps required to avoid destruction of such information.

Hi Kathie,

Please let me introduce Mike from TimeTrex. He needs written approval and an agreement to provide our payroll files so that we could contract with TimeTrex directly since TruBridge is moving to Paylocity this Spring and will no longer offer 3R TimeTrex services to us.

Thanks,
Nicole

Hi Nicole,

Thank you for taking the time to chat with me yesterday! As we discussed, we would need written approval and cooperation from TruBridge to migrate your data and set you up as a direct TimeTrex customer. This would of course allow for a seamless transition too.

Subject: Re: Termination of Master Agreement Effective 12-Dec-2024

Hi Jeremiah,

We are happy to discuss opportunities for reshaping our partnership to fit within our future direction and product roadmap. However, as discussed on our call, full-service payroll is that direction, and unfortunately, due to government and banking regulations, it imposes certain limitations that prevent our current agreement from being workable as it stands.

It's evident that customers are increasingly demanding full-service payroll. In fact, it's the most sought-after feature in our customer surveys, and over 70% of incoming leads are now asking for it. There are good reasons why industry leaders like ADP, Ceridian, and Paychex exclusively offer full-service payroll.

With government regulations making e-filing increasingly complex and mandates requiring e-filing of nearly all tax documents for companies with more than ten employees, the ease and efficiency of full-service payroll can't be overstated. It significantly reduces the risk of late fees and the chance of incorrect filing, saving our customers both time and money.

It's important to note that the industry is rapidly moving towards full-service payroll, and any provider not offering this service is at risk. Providers attempting to maintain both self-service and full-service options face higher costs and operational challenges, leading to higher prices and lower customer satisfaction. By focusing on full-service payroll, we can ensure our customers receive the best value and the most streamlined, user-friendly experience.

Let me know how you would like to proceed.

Thanks.

Mike, Good morning. I'm following up on your termination notice to us. Did you decide to refocus the business or are you still open to a potential proposal from us? I have a team digging into what we've been charging clients to understand our current economics and I would like to know whether we should continue or suspend this effort. Happy to have a quick call.

Best, Jeremiah
